CLINTON O. MAGUTU

EAL Educator & Inclusion Specialist

PERSONAL PROFILE

I am a committed and skilled EAL educator with experience supporting students across KS2 and KS3 through inclusive, interactive, and well-structured language instruction. In my role at Hillcrest International School, I deliver tailored interventions, literacy support, and high-quality classroom teaching that builds confidence, fluency, and academic access for multilingual learners. I work collaboratively with staff to ensure learners can engage successfully with the curriculum, and I continue to refine my practice through reflective teaching and professional development. Fluent in English and Swahili, I am dedicated to empowering every child to progress, participate, and thrive.

EMPLOYMENT HISTORY

Hillcrest International School, Hillcrest Road, Nairobi
Inclusion Learning Assistant

August 2025 - Present

- > Designed and led targeted EAL intervention programs improving language acquisition, academic vocabulary, and classroom confidence for multilingual learners across varying proficiency levels.
- > Delivered differentiated in-class and pull-out support aligned to IEPs, PAGs framework, and learner profiles to accelerate progress for SEND and EAL students.
- > Conducted language proficiency assessments and ongoing progress monitoring, using data to adjust support strategies and inform teacher planning.
- > Collaborated with classroom teachers to adapt curriculum content, instructional materials, and assessment tasks ensuring accessibility without lowering academic rigor.
- > Coached staff on inclusive classroom strategies including scaffolding, sheltered instruction, multisensory learning, and behavior regulation frameworks.
- > Developed and maintained individual student support plans, documenting learner needs, accommodations, academic goals, and intervention outcomes.
- > Facilitated communication with parents and external specialists, providing feedback, behavior insights, and language development updates to promote consistency between home and school.
- > Promoted student independence, executive function skills, and self-advocacy, gradually reducing reliance on adult support while maintaining academic progress.
